Help Wanted!

First Annual "All-Volunteers" Weekend

Join Todd's Inheritance Historic Site the weekend of 16 - 17 June 2012, as we begin the Celebration of the War of 1812 Bicentennial.

This weekend will bring all of our volunteer groups and individuals together for a major effort to spruce-up the Todd House and grounds. Hours both days are from 8am until sundown, but any time you can offer will be gratefully welcome! Jobs will be assigned to volunteers based on ages and skills, so there's something available to everyone.
