

BOY SCOUTS OF AMERICA®

BALTIMORE AREA COUNCIL

July 20, 2020

Dear Scouting Family:

The COVID-19 outbreak has created some significant challenges for the delivery of traditional Scouting activities and events. We appreciate the flexibility and understanding from each of you as we continue to make programmatic adjustments while maintaining the health and safety of our Scouts, volunteers, and staff as the top priority.

At the beginning of this month we reopened Broad Creek Memorial Scout Reservation to families providing an opportunity to participate in three-day, two-night sessions (Tuesday to Thursday, and Friday to Sunday). Check out this [link](#) for additional information about the family camp program and how you can participate. In addition to this family camping experience, we are pleased to announce that the BAC COVID-19 Task Force – with guidance from the Enterprise Risk Management Committee – has developed a plan for resuming District- and Council-sponsored events and activities beginning August 1.

A document detailing the specifics of the Baltimore Area Council COVID-19 Camping and Council/District Event Guide can be found [here](#).

Thank you all for doing your part to help keep the Scouting program alive and well while keeping our Scouts and Scouters safe. We look forward to seeing you at Broad Creek, at an upcoming District- or Council-sponsored in-person event, at the Council Service Center, or at any of our three Scout Shops that are now open Tuesday through Friday 10:00 AM – 6:00 PM, and Saturday 10:00 AM – 1:00 PM.

Take care, and Scout On!

Kenn Miller
Scout Executive

Mike Sullivan
