From Taadie Robinson : Most merciful God, We come to you in our weakness. We come to you in our fear. We come to you with trust. For you alone are our hope. We place before you the disease present in our world. We turn to you in our time of need. Bring wisdom to doctors. Give understanding to scientists. Endow caregivers with compassion and generosity. Bring healing to those who are ill. Protect those who are most at risk. Give comfort to those who have lost a loved one. Welcome those who have died into your peace and resilience. Stabilize our communities. Unite us in our compassion. Remove all fear from our hearts. Fill us with confidence in your care.
19:53:37 Amen

19:54:20 From Sori Meredith : Nice! Thanks. Sori

From James Roberts : Is there a way to get MBC applications submitted while we're under stay-at-
19:55:47 home?

From Taadie Robinson : Yes, you can send them to me at trobinson@baltimorebsa.org. Remember
19:56:45 to include the adult application if they are not already an MBC.

From Marc to Taadie Robinson(Privately) : We just did two virtual boards last week and they were
19:56:53 terrific

From Taadie Robinson : They also need a merit badge counselor application and the background
19:57:27 check authorization if not already submitted.

From Dave Fleisher to Taadie Robinson(Privately) : Are there online applications, or do we need to
19:57:31 scan / email copies of pen/ paper versions?

19:57:49 From James Roberts to Taadie Robinson(Privately) : Thanks!

From Taadie Robinson to Dave Fleisher(Privately) : all online applications can be found at
19:57:50 www.scouting.org/forms

From Westley Cox to Taadie Robinson(Privately) : Are you accepting new leader applications? We
19:58:20 had some new ones right before everything shut down so they are sitting idle.

From Evelyn Mogren to Taadie Robinson(Privately) : Maria E has also shared that Scouts have been
engaged in making PPE, youth have made nearly 1000 face shields and masks. Maria has delivered
500 maker made face shields to St. Joseph's in Towson. They have also gone to a nursing home in
Olney and the medical reserves. Maria was deployed twice last month in the reserves with no PPE-
her team and she used her search and rescue gear. Shortages are real. She urges giving blood, make
an appointment first. Call or use the blood donor app. If you use the app, pick a team to show your
impact, like Team e-NABLE, your Unit or chartering organization, or BSABAC. Create a team and
19:58:36 Encourage people to give as something youth can do with our leaving home.

From Taadie Robinson to Dave Fleisher(Privately) : for youth you can use my.scouting to accept
electronic applications or you can scan them and send them to me. we have a way to encrypt them
19:58:46 and send them to our registrar.

19:59:12 From Taadie Robinson : all online applications can be found at www.scouting.org/forms

19:59:35 From Dave Fleisher to Taadie Robinson(Privately) : Great thanks!

From Paul Goldenberg to Taadie Robinson(Privately) : I didn't mention training, membership, etc.
on the assumption that they are District Operations functions. We may want to share that (1) focus
on open on-line training requirements, (2) Supplemental training, including Roundtable - especially
19:59:45 for Cub Packs, and (3) the training team will be posting some short videos for folks viewing pleasure!

From Westley Cox to Taadie Robinson(Privately) : we already have our forms signed. can we scan
19:59:52 and email them to you?

From Taadie Robinson to Westley Cox(Privately) : yes, we are accepting youth and adult
20:00:01 applications electronically

20:01:50 From Taadie Robinson : All: we are accepting youth and adult applications electronically.

From Evelyn Mogren to Taadie Robinson(Privately) : Did you kill the everyone option on chat? All I
20:02:17 see is chat options to hosts and co hosts.

From Samuel Birk to Taadie Robinson(Privately) : Unit College Scouter Reserve a good option for 18
20:02:20 year out scout? (code 92U)

From Taadie Robinson : This is also the perfect time to update your beascout.org pins to accept
20:02:25 online youth applications AND transfers.

From James Roberts to Taadie Robinson(Privately) : How can we get bling out to our Scouts who have earned them? We can get stuff by mail, I think. But can we justify driving around and dropping stuff off, when we're under stay-at-home orders? It seems like that wouldn't fall under essential
20:02:27 travel.

From Taadie Robinson to James Roberts(Privately) : We aren't encouraging anyone to be out. I would suggest working with your unit committee to plan a celebration, once we are able to gather
20:03:14 again.

From Bruce and Melissa Rishel to Taadie Robinson(Privately) : Hi Taadie, For the Citizenship in the Nation requirements to 1) visit a national historic landmark and 2) to tour your state/national capitol
20:03:32 building, can these requirements be done virtually?

20:04:22 From James Roberts to Taadie Robinson(Privately) : Got it. That's what we were planning on.

From Taadie Robinson to James Roberts(Privately) : I fixed the chat, everyone can chat publicly
20:04:43 again.

From Renee Seymour to Taadie Robinson(Privately) : It is an Merit Badge Counselor form along
20:04:48 with the BSA adult application

20:05:10 From Taadie Robinson : I fixed the chat. Chat away!

20:05:32 From Bhavik Hukmani to Taadie Robinson(Privately) : Hey there! Glad you set this up!

From Bruce and Melissa Rishel : For the Citizenship in the Nation requirements to 1) visit a national historic landmark and 2) to tour your state/national capitol building, can these requirements be done
20:05:52 virtually?

From James Roberts to Taadie Robinson(Privately) : Feel free to repost my questions and your
20:06:03 answers. Others probably have the same questions.

From Michael Miller to Taadie Robinson(Privately) : The scouting.org COVID FAQ site is allowing some requirements for Tenderfoot through FC to be done Virtually. Is the BAC following this
20:06:14 guidance?

From Taadie Robinson to Renee Seymour(Privately) : Renee, can you answer this question: For the Citizenship in the Nation requirements to 1) visit a national historic landmark and 2) to tour your
20:06:28 state/national capitol building, can these requirements be done virtually?

20:07:19 From Renee Seymour to Taadie Robinson(Privately) : ok

From Taadie Robinson to Michael Miller(Privately) : We follow all national guidelines. If they allow
20:07:40 it we do too.

From Renee Seymour : BSA National published modified Rank requirements on the FAQs page to
20:08:46 address requirements that now can be handled virtually versus face-to-face.

From Samuel Birk to Taadie Robinson(Privately) : Watch for University of Scouting planning for
20:08:52 September 26.

20:09:10 From Bruce and Melissa Rishel : thank you!

From Renee Seymour : if you go to the Council COVID-19 advancement page, we have a link to the
20:09:15 FAQ page. National is publishing updates often

20:09:24 From Joel Hampshire : I am here. Support Scouting for Food!

20:09:51 From Taadie Robinson : University of Scouting has been rescheduled for September 26th!

20:10:11 From Taadie Robinson : Flyer will be available soon.

From Paul Goldenberg : We already understand that government meetings are now virtual, which means that a scout, just like any citizen, has to attend remotely. The Supreme Court has announced that they will be meeting by telephone conference, so my take is that the only way you can visit site is virtually! I say go for it. You can see everything you can see in person, and even stuff that is normally off-limits.

20:10:17 From Edgardo Vega : btw if you use zoom for a virtual board or review or eagle review the host can put the scout back to the waiting room if you have the waiting room on

20:10:44 From Jill Bispels, Troop 649 : Taadie - I have a Columbia area grassroots food pop-up that I want to add to the NPD list. It is performing critical support to families . Christopher and I have been volunteering and are so impressed with their work.

20:11:09 From Jill Bispels, Troop 649 : Columbia Community Care

20:11:18 From Evelyn Mogren : Maria Esquella asks for prayers for the international scout from Malawi we are sponsoring to come to Broad Creek this summer. She has been corresponding with him and his troop as part of e-NABLE since his visit this winter. The Scouts in his unit have been afraid that they are going to die when the pandemic reaches them. There are 38 ventilators in their country and they don't have access to 3d printers to make PPE. To make a difference they've gone out in uniform to help people get information on stopping the spread. They wore homemade masks and held signs about best practices: not touching your face; social distancing; and hand washing, etc. even when their own government denied there was a pandemic. They have been recognized and encouraged by their minister of health, and with their encouragement are producing information in English and Chichewa.

20:11:45 From Taadie Robinson : Fantastic Jill!

20:11:49 From Taadie Robinson to Sori Meredith(Privately) : Jill Bispels has a food pop up to add to the effort. Taadie - I have a Columbia area grassroots food pop-up that I want to add to the NPD list. It is performing critical support to families . Christopher and I have been volunteering and are so impressed with their work.

20:12:46 Columbia Community Care

20:13:43 From Evelyn Mogren : Maria has been in touch with the Messengers of Peace (MOP) program to give them recognition and support. Maria asks all to recognize any effort of your youth as a MOP effort.

20:14:36 From Gina Hoagland to Taadie Robinson(Privately) : We have not heard the results of our troops OA elections.

20:14:58 From Taadie Robinson to Paul Goldenberg(Privately) : Great!

20:15:13 From Paul Goldenberg to Taadie Robinson(Privately) : We can share that.

20:20:01 From Chrystal Bingham to Taadie Robinson(Privately) : Lions do not have a cyber chip, how appropriate is the grades 1-3 version for a younger age group?

20:25:21 From Renee Seymour to Taadie Robinson(Privately) : Merit Badge Counselor applications should be submitted to our merit badge dean - if they aren't submitted through the dean, they will not be processed.

20:25:39 From Pat Hamiltonb to Taadie Robinson(Privately) : If you send a password protected ZIP file, communicate the password in a separate email, or by phone, etc. Don't put the password in the body of the email containing the encrypted ZIP.

20:26:55 From Lou Hromada : re Adult Apps, can we have our COR send you an email for their approvals? or do apps still need to be physically signed by the COR?

20:27:34 From Evelyn Mogren : Closing prayer:
From Radhika Wijetunge to Taadie Robinson(Privately) : Is Univ of Scouting still going to be at
20:28:31 Carroll CC?

20:32:07 Stay healthy!
20:32:27 From Jill Bispels, Troop 649 : Thank you NPD team!

20:32:37 From Kathryn McGovern : I have heard that there are meeting rooms that you can use for break outs
